

Oak's $\frac{1}{2}$ term home learning challenges

Here are some ideas for home learning challenges to try, you might choose to do one or all of them!

We will celebrate all completed homework in class.

Alongside the learning challenge, weekly homework will include; spellings, regular reading and learning the 2, 5 and 10 time tables (Year 2 - Tackling Tables).

Thank you for your continued support.

Write a diary about the weather.

Find out about one of the four countries of the UK and write a fact file.

Play a board game.

Design your own healthy, balanced meal.

Design your own flag

Help to prepare a family meal.
What food did you have?
Was it from a plant or animal?

Write a wanted poster for a fox.

Captain Conjecture says...
'An odd number + an odd number +
an odd number = an even number'.
Is this sometimes, always or never
true?

Explain your reasoning
