

Oak's home learning challenges

Here are some ideas for home learning challenges to try, you might choose to do one or all of them!

Homework is to be completed by Monday 30th October- we will celebrate all completed homework in class.

Alongside the learning challenge, weekly homework will include; spellings, regular reading and learning the 2, 5 and 10 time tables (Tackling Tables).

Thank you for your continued support.

Visit the library and share a story with a grown up.

Draw a map of your bedroom and create your own key.

Write or draw a story map of your own Quest story.

Create your own piece of artwork to show what happens in the different seasons.

Have a go at mixing the primary colours to create secondary colours.

Can you add white and black to create shade and tint?

Choose 2 cards at a time from a pack of cards.

Which one is greater/less than?

Can you use the correct symbols?

Design your own E safety poster

Find where you live on Google Maps.

Can you recognise any of the other landmarks?

Captain Conjecture says...

"If you add together six 0s the answer is 6.' Do you agree?"

Explain your reasoning.
