

# My New School

Snettisham Primary School

# The Classroom 'Willow Class'

This is the front of our classroom.  
We line up here in the mornings  
ready to start our day. Our  
classroom is next door to Bobtails.

# The Outdoor Area

Outside we have lots of places to explore. We have a water area, a big sand pit, a big mud kitchen, a trim trail, a place to grow things, role play area, music area, writing shed and many more!

# The Playground

This is where you wait before school, where we go for playtime and where your adults will wait to pick you up when school finishes.

# The Lunch Room Known as 'The Halls Room'

This is where you will have your lunch. You can choose from your own packed lunch, a hot dinner or a school packed lunch!

# Inside the Classroom

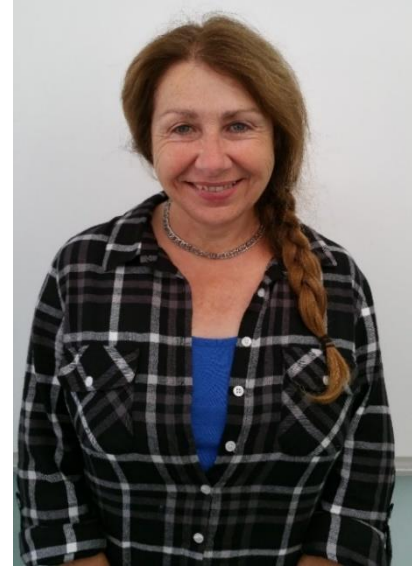

Inside our classroom we have lots of areas to explore! We have a role play area, reading area, construction area, creative area, maths and writing area! We have a carpet with our own coloured spot to sit on!

Hi I'm Miss Moore!
