

Monday 13th June

Huge funfilled ^{fete} fete AT Snettisham

On The Friday 10th June Snettisham primary school and locals came together for a big fete on the field. They were celebrating the Queens birthday and there were lots of games and stalls to go on.

It was a fun filled day for Snettisham and ^{lots of} people were say "The performances were great."

The local emergency services gave up some of their time to show the child what it ~~is~~ like being part of the emergency service. Many of the people were inspired to become part of it.

There were lots of games from hoopla to tin can ally ~~to~~ they were all lots of fun even if only played one game you would enjoy it. There were lots of refreshments like lemonade ~~whitch~~ which was very nice.

It was a very colourful celebration as all the children were wearing red white and blue. The day was ~~superb~~ fantastic and so was the weather as it started of cloudy but as the day went on the sun started to show.
