Admissions Policy 2017 - 18

The intake level is 20 per year group

Aims

We aim to:

- provide a flexible introduction to school, through staggered admission and half day attendance
- make the transition from home/playgroup to school a smooth, happy experience, where children feel confident and secure
- enable staff to plan for the smooth running of the whole class throughout the year.

Organisation

- Children born between 1st September and the 31st August may start school at the beginning of the Autumn Term before their fifth birthday. They will attend part time for their first week and then full time after that.
- All reception children (be it full time or part time) can stay for lunch. Part time children will be collected at 1.00 pm.

Structure for pre-school liaison and the reception of new children

- reception teacher visits pre-school/nursery throughout the year
- children visit school for sessions in the Summer Term
- parents are invited to a meeting in the school in July, when information about the Foundation Stage Curriculum and general advice on helping children prepare for, start and settle into school is provided.
- children at Playgroup are invited to visit the school.
- the 'Foundation Stage Profile' assesses the children's' progress to the end of Year R

General Admissions

- Parents wishing to make an initial enquiry concerning the admission of a child to the school should firstly contact the Headteacher, who will arrange a meeting where the school can be viewed and the brochure discussed.
- Applications for the admission of children who require special facilities will be considered on an individual basis. Some parts of the school are not accessible to children in wheelchairs.

Admission criteria in the event of over subscription

In the event of over-subscription preference will be given to children living nearer to the school according to the following criteria, in order of priority.

1. Children with a statement of Special Educational Needs naming the school
2. Children in public care who live in the area served by the school
3. Children who live within the catchment area and have a brother or sister attending the school at the time of their admission
4. Children who live outside the catchment area and have a brother or sister attending the school at the time of their admission

In the event of over-subscription, children with special educational needs will not be refused admission or given lower priority than other applicants.
